The section tabs shown on the right correspond to the individual sections listed below. By holding the spine of the book in the left hand and bending the right side back with the right hand, section markings become visible along the right edge. This should allow you to quickly and easily reference to any applicable section. NOTICE: The PERSONAL GUIDE tab is at the top of the tabs list to the right, even though the section itself is positioned after the middle of the book. This is to give it top priority on the edge of the book, as it is referred to most often.
