Communication Technology Update and Fundamentals August E. Grant, 2014-08-07 A classic now in its 14th edition Communication Technology Update and Fundamentals is the single best resource for students and professionals looking to brush up on how these technologies have developed grown and converged as well as what s in store for the future It begins by developing the communication technology framework the history ecosystem and structure then delves into each type of technology including everything from mass media to computers and consumer electronics to networking technologies Each chapter is written by faculty and industry experts who provide snapshots of the state of each individual field altogether providing a broad overview of the role communication technologies play in our everyday lives Key features Gives students and professionals the latest information in all areas of communication technology The companion website offers updated information and useful links to related industry resources and an instructor site provides a sample syllabus and a test bank This edition features new chapters on automotive telematics digital health and telepresence as well as expanded coverage of tablets phablets and 4K ultra high definition television

Living Fully, Retiring Wealthy Ray Reyes, 2025-11-13 Financial success is more achievable when we master some basic personal finance principles Those of us who have reached a certain level of success have practiced them for many years The earlier you start the easier it is to achieve your goals However your financial life does not take place in a vacuum Your friends romantic interests and health among others also play a very important role that quite often if neglected may slow down or even derail the best financial plan Knowing how to do something is very important but with little or no discipline the best plan often fails This book is intended to teach you the basics of personal finances while considering those other factors that may help or block your progress to a comfortable life and eventual retirement
