Consciousness Of Jesus:

The Consciousness of Jesus Horace Mellard Du Bose, 1917 *The Consciousness of Jesus* Horace Mellard Du Bose, 2025-05-22 The Consciousness of Jesus by Horace Mellard Du Bose delves into the inner life and self awareness of Jesus Christ as portrayed in the Gospels This theological exploration examines the historical and spiritual dimensions of Jesus s consciousness offering insights into his ministry teachings and relationship with God Du Bose s work aims to illuminate the profound mysteries of Christ s divine and human nature It remains a valuable resource for theologians scholars and anyone seeking a deeper understanding of the central figure of Christianity This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [Christ Consciousness You are Christ](#) Penelope Stewart, 2018-03-06 Christ Consciousness is the consciousness or awareness of the self in and as the Christ the attainment of a level of consciousness commensurate with that which was realized by Jesus Christ consciousness is the highest state of intellectual development and emotional maturity Christ consciousness is the state of awareness of our true nature our higher self and our birthright as children of God Christ consciousness has been known by various names in history such as Jainism Buddhism Hinduism and most Eastern mystical religions This path is open to anyone regardless of their religious tradition if and when he or she is open to become a living vessel of love and truth on the planet and actively strives to attain it **Jesus Speaking** Gina Lake, 2018-11-02 Jesus still exists and is and has always been available to those who are open to him In this channeled book Jesus speaks to us from another dimension to awaken Christ Consciousness within us Christ Consciousness refers to enlightenment or the realization of our oneness with all and our inherent divinity exemplified by Jesus Christ Jesus lived what he taught and he taught from a higher consciousness one free of ego Jesus was an example of what we all can be a model of what is possible for every human being and the messages in this book show us how we can become more Christ like and live as he did These messages are also intended to give you the experience of having a relationship with Jesus as he speaks to you as if you were sitting in his presence The channeled messages from Jesus which this book is based on were part of weekly online video meetings where Gina Lake and her husband who is also a nondual spiritual teacher give what they call Christ

Consciousness energy transmissions The channeled messages from Jesus were given before the transmission to prepare teach and inspire those who are there to receive the transmission Many report feeling a transmission come through these channeled messages as well [The Christ Is Not a Person](#) J.C. Tefft,2009-02-11 Why are we born For what purpose are we here The longer we remain unaware of what is taking place within us of what drives us and what can liberate us from the bonds of egocentric behavior the longer we allow what the Buddha called the sorrow of life to hold sway The sorrow of life is the sum and consequence of our total identification with the world that is created by self The word Consciousness means something more than what the mind of self thinks imagines or conceives Awareness in Pure Consciousness is an awareness that is other than self and beyond thought Contrary to traditional thinking the so called unseen unknown world is nothing more than Consciousness of which we are unaware Unawareness in Consciousness has been evolving into Awareness in Consciousness since before time began The author of this work comprehensively sets forth a meaning of ancient scripture that likely has not been advanced to you before He demystifies ancient legends and myths so the essential truth of ancient teachings shines through Using ancient scripture as a guide he insightfully explores a growing conscious awareness that has been emerging within mankind over the last few thousand years A must read for anyone looking to discover the deeper meaning of ancient scripture beyond a literal interpretation of the words **The Consciousness of Jesus (Classic Reprint)** Horace Mellard du Bose,2016-10-07 Excerpt from The Consciousness of Jesus Christ that the evangel was uttered but rather that men should receive Christ and live into his conscious being as he in the house of his humanity lived into the conscious life of the Father A too great exhibit of the detail of the earthly walk of Jesus would have defeated the exclusive ends of that which was written that reading we might believe and that believing we might be saved A strictly scientific study of the consciousness of Jesus would fall short of the ends at which we aim Every thoughtful student of modern day theological literature has noted the too frequent absence of both the spirit and the letter Of subjective inquiry from the methods of criticism The critics have contented themselves with examining the aspects of the Old and New Testament Scriptures rather than looking deeply into the spirit and purpose of their writers Stress is laid upon historical accidents textual peculiarities and difficulties rather than upon the tremendous facts symbolized by and latent in the writings whose peculiarities and difficulties are About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Path of the Soul](#) Al Florey,2018-09-29 Path of the Soul is an inspiring story of the spiritual unfoldment of Jesus as a man a soul and a spirit In vivid detail it reveals how Jesus was able to experience God as

love perform miracles attain Christ consciousness and ascend into the realm of pure light wisdom and love Before Jesus became the way shower and messenger for the teachings of the Piscean Age He was first and foremost a seeker of truth Path of the Soul is a story of encouragement for all who are on a quest for universal truth and wisdom It reveals how people progress from step to step and from one initiation to a higher initiation regardless of their religion nationality ethnicity or gender In great detail it explains how people can use the energies and forces streaming through the seven planes of earth to unfold develop and master successively higher states of mind and realization You too can attain Christ Consciousness or buddhic Enlightenment For you are a god in the making with the potential to attain perfection and the inherent ability to serve as an agent of divine love will and purpose This is the message of the way shower during these early days of the Age of Aquarius

How Did Jesus Know He Was God? William Chami, 2020-04-02 The self consciousness and human knowledge of Christ is a contemporary christological issue which seeks to understand the awareness that the God man Jesus Christ possessed of himself during his life on earth The present question primarily concerns itself with exploring how the Son knows that he is the Son in his human mind Traditionally this question has been asked and answered that through the beatific vision the Son knew himself as divine in his human mind However recent theories advanced by scholars seem to preclude any notion of beatific knowledge in the Incarnate Son This book explores the perspectives of three main authors Jacques Maritain Karl Rahner and Thomas Weinandy in relation to the present question and attempts to provide an answer for how the Incarnate Son apprehended his divine identity through his human operations Considered also is the scope of Christ's human knowledge with regard to two specific objects of knowledge These concern whether the Son as man had an awareness of those for whom he gave his life Gal 2 20 and whether the Son was really ignorant of the eschatological final day and hour Mark 13 32 Matt 24 36

Christ Consciousness Danielle Van Dijk, 2010-04 We live in a world characterized by intolerance war environmental degradation and economic collapse By contrast is it possible to build a society in which tolerance love and peace are the abiding principles In this positive and inspiring book van Dijk shows how beginning with our personal development we can contribute to such a new and transformed world She describes how we can develop a universal spiritual consciousness what she calls Christ Consciousness The author emphasizes that the Christian mysteries took place on the physical plane distinguishing with great clarity between Jesus as a human being the incarnation of Christ on Earth and the Cosmic Christ She builds bridges between the spiritual research of Rudolf Steiner the Nag Hammadi writings and the gospels of Mary Magdalene and Judas culminating in a comprehensive and wide ranging picture of the Christ By gaining insight into the nature of Christ's being and undertaking practical exercises described here each of us can achieve the new Christ Consciousness In ancient times selected individuals underwent rites of initiation in secret mystery schools Any student who made public the knowledge obtained there was put to death In our time however the spiritual mysteries have become open and available to all Initiation van Dijk tells us involves walking the inner path to all embracing love which is known in

Gnostic and esoteric lore as Christ the highest divine Being leading to sublime cosmic orientated consciousness that comes into existence when the higher self exists wholly within the individual human being The Boyhood Consciousness of Christ Patrick Joseph Temple,1922 **Encyclopædia of Religion and Ethics: Hymms-Liberty** James Hastings,John Alexander Selbie,Louis Herbert Gray,1915 Scope theology philosophy ethics of various religions and ethical systems and relevant portions of anthropology mythology folklore biology psychology economics and sociology **The Messianic Prophecies** Paton James Gloag,1879 **The Chinese Christology of T. C. Chao** Yongtao Chen,2016-09-19 This volume offers a careful analysis of the contextual Christology of T C Chao one of the most important Chinese theologians and Chinese church leaders in the first half of twentieth century At the core of Chao s Christology is the encounter between Christianity and the Chinese people in particular the Chinese Christians In response to the rapid social changes in China between 1910 1950 he attempted to develop a relevant theology by focusing on the characteristics of Christianity and at the same time aiming to understand Christianity within its Chinese context **The Expository Times** ,1894 An Outline of Christian Theology William Newton Clarke,1912 *Freedom and Authority in Religion* Edgar Young Mullins,1913 *Problems of Religion* Durant Drake,1916 The Congregationalist and Christian World ,1907 **Transformative Lutheran Theologies** Mary J. Streufert,2010 The first of its kind this book is a systematic presentation of Lutheran feminist womanist and mujerista theologies systematic in that it addresses classical loci of systematic theology contemporary in that it is resoundingly constructive and relevant for the contemporary church and feminist in that the contributors write from a feminist perspective although they reflect a variety of positions within feminist discourse The contributors to this multi authored work share a common commitment to Lutheran theology as a continual process of reform Luther is a partner in the conversation because of his theological insights and commitment to faithful criticism which the writers seek to continue not because his voice settles a debate The book focuses on central themes that Luther addressed and that are representative of Lutheranism today including justification by grace through faith and Luther s theology of the cross From diverse contexts these Lutheran theologians like Luther seek reformation by giving voice to new perspectives in theology that continue to transform the church and the world Along with Mary J Streufert contributors include Krista E Hughes Kathryn A Kleinhans Kristen E Kvam L DeAne Lagerquist Mary E Lowe Lois Malcolm Anna Mercedes Cynthia Moe Lobeda Cheryl M Peterson Mary Joy Philip Caryn D Riswold Deanna A Thompson Marit Trelstad Alicia Vargas and Beverly Wallace A remarkable addition to the rich history of Lutheran theology Not only have these theologians opened doors to fresh new worlds of Lutheran thought they ve done so in a way that honors the past by extending it forward I can t wait to use Transformative Lutheran Theologies in class I ve been waiting twenty years for a text like this Imagine teaching Luther s thought and placing it by side with these cutting edge essays Luther would no doubt be proud maybe even a bit envious Serene Jones President and Roosevelt Professor of Systematic Theology Union Theological Seminary New York *The Mission of Evil* G. W. Allen,1900
