Box Office Usa:

Development of the Global Film Industry Qiao Li, Yanqiu Guan, Hong Lu, 2020-09-01 The global film industry has witnessed significant transformations in the past few years. Regions outside the USA have begun to prosper while non-traditional production companies such as Netflix have assumed a larger market share and online movies adapted from literature have continued to gain in popularity. How have these trends shaped the global film industry? This book answers this question by analyzing an increasingly globalized business through a global lens. Development of the Global Film Industry examines the recent history and current state of the business in all parts of the world. While many existing studies focus on the internal workings of the industry such as production, distribution, and screening, this study takes a big picture view encompassing the transnational integration of the cultural and entertainment industry as a whole and pays more attention to the coordinated development of the film industry in the light of influence from literature, television, animation, games, and other sectors. This volume is a critical reference for students, scholars, and the public to help them understand the major trends facing the global film industry in today's world.

Guinness World Records 2015 Guinness World Records, 2014-09-16 With a fresh new design and feel inspired by innovations in tablet technology, the latest GUINNESS WORLD RECORDS book presents thousands of new and updated records along with hundreds of amazing never-before-seen photographs. The 2015 edition showcases the very best of the most recent world records with new subjects as diverse as castles, 3D printing, the search for alien life, and the latest developments in AI and robotics. Plus the Flashback features offer a look back at the archives to bring you the best of the classic and iconic records from the past 60 years. Meanwhile the Gallery spreads present the best GUINNESS WORLD RECORDS photography across themed topics such as giant musical instruments, wacky vehicles, and animals in action. And look out for details of how readers can become record breakers themselves.

Envisioning Legality Timothy Peters, Karen Crawley, 2017-11-22 Envisioning Legality: Law, Culture, and Representation is a path-breaking collection of some of the world's leading cultural legal scholars addressing issues of law, representation, and the image. Law is constituted in and through the representations that hold us in their thrall, and this book focuses on the ways in which cultural legal representations not only reflect or contribute to an understanding of law but constitute the very fabric of legality itself. As such, each of these readings of cultural texts takes seriously the cultural as a mode of envisioning, constituting, and critiquing the law. And the theoretically sophisticated approaches utilised here encompass more than simply an engagement with harmless entertainment. Rather, they enact and undertake specific political and critical engagements with timely issues such as the redressing of past wrongs, recognising and combatting structural injustices, and orienting our political communities in relation to uncertain futures. Envisioning Legality thereby presents a cultural legal studies that provides the means for engaging in robust, sustained, and in-depth encounters with the nature and role of law in a global mediated world.

Reinventing Richard Nixon Daniel E. Frick,2008 Examining Nixon s autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon s version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon s state funeral at which Bob Dole s eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick s probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements **BOOK JACKET**
