Martin, Bettina Fabos, 2012-02-20 Today's media landscape is changing faster than ever and students are experiencing these developments firsthand. The 2013 Update also includes the must-cover events and trends students need to know to become informed media consumers and critics: from social media's influence on political events like the Occupy Wall Street movement and the Arab Spring revolutions and what the News Corp phone hacking scandal means for journalism to the continued growth of television streaming and apps and the advent of tablet-only newspapers.
