Emulation Ritual The Emulation Lodge of Improvement Unknown,2007-07-26 The most detailed and authoritative text on the true meaning of the Taylors Masonic rituals The principal contents of this book are the Official Taylors Lectures on the Three Degrees of Craft Freemasonry These lectures deal with the description of the ritual of those Degrees along with their moral and symbolic significance and are of a formal nature arranged as catechisms that is by question and answer form The text can be studied at home or can be performed by two or more brethren in open lodge Much evidence suggests that many sections of these lectures are as old as the degrees themselves This book adds much to ones enjoyment and understanding of Freemasonry

Leaving aside such shortcomings in the ritual actions there are also several accident black spots where the wording of the ritual is liable regularly to be rendered inaccurately

Blunden, 2023-01-27 An Exploration of the Traditional Witchcraft Coven its Organization and Rituals including Initiations Rites of Passage Magical and Social practices The truth is Old Gerald B Gardner had little interest in how the Traditional Witchcraft Coven had been organized and structured So apart from an example of how it should not be done he passed on little information about how it was meant to be organized That knowledge of how best to organize and structure a modern Coven has had to be reclaimed from the old records and by trial and error So too the social Rites of Passage those of birth marriage and death that were all long since appropriated by the religious authorities have likewise needed to be restored As too the traditional forms of Coven Magic and Healings whilst still keeping Witchcraft ever the religion of Dance Fun and Mirth After all who said that religion is not to be enjoyed A Witches Canon Part 1 provides a fact based referenced guide for those wishing to further explore the Religion and Celebratory Rituals of Traditional Wicca A Witches Canon Part 2 has been written to provide a practical referenced guide to the social aspects of Traditional Wicca of Coven Organization Initiations Rites and Rituals A Witches Canon Part 3 is a fact based referenced guide to the practice of Magical Witchcraft both nice and naughty If it isn't fun then it ain't worth doing
