One Last Shot Mitchell Krugel,2007-04-01 *One Last Shot* gives Jordan fans the inside scoop they re looking for on basketball s greatest legend with exclusive interviews from NBA executives players and coaches Mitchell Krugel uses his fifteen years of following Michael Jordan s every move to explain why the man who left the game as The Greatest Player of All Time would risk his unparalleled legend to play again After delivering the Chicago Bulls their sixth championship in 1998 by pulling off what became known as the greatest money shot in the history of the NBA Michael believed he still had much of that Greatest Player Of All Time left in his game But he felt that retirement was forced on him in 1999 and he left the game craving more doses of fifty point binges winner take all confrontations and repeated nights of reminding fans they just saw the greatest player ever *One Last Shot* not only explains why Michael Jordan came back to the court but also looks at his transition from Wizards executive to player his struggle to join a team that had grown up with his posters on their walls and his glories and setbacks in a Wizards season chock full of both struggles and surprises Krugel also details the star laden workouts Michael designed in the summer of 2001 to get his game back into shape This look at Michael Jordan circa 2001 2002 shows how much basketball had changed since his last coming and how much it hadn t and how his drive pushed him to the verge of a crippling knee injury

all in the pursuit of winning And for six weeks he did make it back He made the shots He made good on his mission to try to teach the Wizards how to be winners to teach talented teammate Richard Hamilton to be a shooting star and to whip Kwame Brown the high school kid he made the first ever first pick in the NBA draft into a man And he did the things that only a man of legend could do Krugel analyzes both the man and the legend to trace how the First Coming led to a Second and to a Third and he chronicles the season that defines Michael Jordan as a man who will forever be playing for one last shot **A Biographical Directory of Professional Basketball Coaches** Jeff Marcus,2003-04-28 Coaches have played a vital yet changing role throughout basketball s professional history Biographical Directory of Professional Basketball Coaches is a comprehensive directory of all the professional coaches in the history of United States basketball Jeff Marcus provides in alphabetical order the year by year coaching records for every pro major league coach in basketball history beginning with the American Basketball League ABL which formed in 1925 and was the first league to play in larger arenas on the East Coast and in the Mid West then tracking the birth of the National Basketball League NBL from its onset in 1937 to its convergence 12 years later with the BAA forming what we know today as the NBA Brief but detailed biographical sketches are provided for every coach in these leagues A wonderful resource for basketball fans and sports buffs **The New York Times Index** ,2009 **Full Court** Greg Marecek,2006 Full Court tells story of an often forgotten but remarkable time in St Louis sports history the era of the NBA s St Louis Hawks Author Greg Maracek has woven together a compilation of interviews from the Hawks players to deliver a history of a former perennial power in the National Basketball Association Between 1955 and 1968 pro basketball closely rivaled the attention and at times outstripped the success of the baseball s St Louis Cardinals A storied rivalry with the fabled Boston Celtics is credited by many as the single most important catalyst to the national growth of NBA interest Names of Hawks stars became legendary to basketball fans Leading the way is Hall of Fame superstar Bob Pettit the first player to score 20 000 points and later 25 000 in a career Other Hall of Fame Hawks include Cliff Hagan Slater Martin Len Wilkens and Easy Ed Macauley Pettit s 50 point performance in the 1958 championship game NBA doubleheaders at Kiel Auditorium owner Ben Kerner s sometimes wild and wacky postgame promotions division and conference titles sold out crowds Bill Russell Wilt Chamberlain Bob Cousy and one incredible St Louis World Championship season makes for riveting reading not only for fans of St Louis sports but also for lovers of NBA lore Greg Marecek has been in the sports business for 35 years serving as a sportswriter and editor sportscaster national sports syndicate and sports radio owner He is a member of the Missouri Sports Hall of Fame *The Midrange Theory* Seth Partnow,2021-11-16 At its core the goal of any basketball team is relatively simple take and make good shots while preventing the opponent from doing the same But what is a good shot Are all good shots created equally And how might one identify players who are more or less likely to make and prevent those shots in the first place The concept of basketball analytics for lack of a better term has been lauded derided and misunderstood The incorporation of more data into NBA

decision making has been credited or blamed for everything from the death of the traditional center to the proliferation of three point shooting to the alleged abandonment of the area of the court known as the midrange What is beyond doubt is that understanding its methods has never been more important to watching and appreciating the NBA In The Midrange Theory Seth Partnow NBA analyst for The Athletic and former Director of Basketball Research for the Milwaukee Bucks explains how numbers have affected the modern NBA game and how those numbers seek not to solve the game of basketball but instead urge us toward thinking about it in new ways The relative value of Russell Westbrook s triple doubles Why some players succeed in the playoffs while others don t How NBA teams think about constructing their rosters through the draft and free agency The difficulty in measuring defensive achievement The fallacy of the quick two From shot selection to evaluating prospects to considering aesthetics and ethics while analyzing the box scores Partnow deftly explores where the NBA is now how it got here and where it might be going next
