*Intermediate Accounting IFRS, International Adaptation* Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2024-10-08

International Financial Reporting Standards IFRS are a set of accounting standards and rules issued by the International Accounting Standards Board IASB that govern how particular types of transactions and events should be reported in financial statements. By presenting IFRS in light of current accounting practice, this book helps students gain practical knowledge of the topic that they can apply as they advance into their accounting careers. This text not only offers a more comprehensive understanding of IFRS standards but also emphasizes fair value proper accounting for financial instruments and new developments in international accounting. This Fifth Edition of *Intermediate Accounting IFRS* continues the tradition of providing useful information to educators and students interested in learning about IFRS. In addition to covering the latest IFRS standards and how they are applied in practice, this edition provides new learning aids such as *Accounting Matters* and *Analytics in Action* to help students master the text material. The edition also includes an appendix on ESG Reporting that explains what kind of information is included in ESG reports.
