Andrews, 2021-05-04 An irreverent yet deeply researched biography about the always offbeat suddenly meme able and wildly popular actor When did you first encounter Jeff Goldblum Maybe as a deranged killer in his 1974 screen debut in Death Wish Maybe as a cynical journalist in 1983s The Big Chill Or a brilliant if egotistical scientist turned fly in 1986s The Fly Perhaps as the wise cracking skeptical mathematician in 1993s Jurassic Park Or maybe you re not a film buff but noticed his face as part of one of the Internet s earliest memes Who knows Whenever it was you ve probably noticed that Goldblum has become one of Hollywood s most enduring actors someone who only seems to grow more famous more heralded more beloved through the decades even though he s always followed his own strange muse The guy primarily plays jazz music these days but is more famous than ever Actor pianist husband father style icon meme Goldblum contains multitudes but why What does he mean The Washington Post s Travis M Andrews decided to find out And so he set out on a journey through Goldblum s career talking to directors like Lawrence Kasdan and Philip Kaufman colleagues like Harry Shearer and Billy Crudup and pop culture experts like Chuck Klosterman and Sean Fennessey to get to the bottom of this whole Goldblum thing And then he took what he learned and he wrote this book which is titled Because He s Jeff Goldblum and is the best thing written since The Brothers Karamazov and slightly easier to follow But you should already know that In this new semi biography semi rumination and semi ridiculous look at the career of Goldblum Andrews takes you behind the scenes of his iconic movies explores the shifting nature of fame in the twenty first century and spends far too much time converting Goldblum s name into various forms of speech Want to hear how Goldblum saved a script supervisor from an amorous baboon Or what he would write on the mirror after taking showers when he was a teenager How about his feelings on various brands of throat lozenges That one could be an entire book unto itself Then this is the book for you **Star**

Twilight's Last Gleaming Todd Starnes, 2024-03-19 Todd Starnes is a fierce defender of freedom and a great patriot He has seen and understands what is happening to our country like few others his book is absolutely terrific a must read President Trump President Biden ushered in a dark winter of malaise across our great nation He snuffed out Lady Liberty's bright beacon of hope and brought despair to the land And now we stand at a time of great choosing Do we choose the path that leads to freedom or the path that leads to tyranny We face difficult days but not hopeless days Together we can restore the Republic and reclaim our standing in the world But first we must remember our roots and return to the values that made our nation great A deep and abiding desire for freedom and liberty girded by faith in God is the essence of who we are Those are the precepts that must be reaffirmed if America is to be saved
