[Managing Innovation](#) Joe Tidd, John R. Bessant, 2024-11-05 The new edition of the bestselling textbook on Innovation

Management provides a strong knowledge base and a creative and entrepreneurial management mindset. Acclaimed for its practical evidence-based tools and resources, *Managing Innovation* provides the knowledge base required to manage innovation technology and new product development. With an integrated process approach, this classic textbook helps students understand and develop the unique skill set required to manage innovation and innovation processes in the commercial, public, and social sectors. Fully updated with new data, new methods, and new approaches, the eighth edition of *Managing Innovation* emphasizes real-world application over abstract theory. Numerous practical and experience-tested processes, models, and tools help students develop a productive innovation management mindset, accompanied by a wealth of case studies and examples illustrating that successful innovation management is much more than managing a single aspect, such as creativity, entrepreneurship, or product development. Offering a strong empirical approach that is supportive of tailored experimentation, *Managing Innovation: Integrating Technological, Market, and Organizational Change, Eighth Edition* is the perfect textbook for MBA, MSc, and final year undergraduate management and engineering courses on innovation and a must-have resource for professional training courses, seminars, and workshops. New to this Edition: Updated chapters on digital innovation, business model innovation, open innovation, user innovation, social and sustainable innovation, service and crowdsourcing. Enhanced presentation of material organized around a clear process model reflecting the new ISO standard for innovation systems. Additional web resources including video, audio, podcasts, case studies, innovation tools, and interactive exercises and tests. New Research Notes present the latest empirical findings from academic studies to deepen students' knowledge. New Views from the Front Line sections connect chapter topics to the actual experiences and challenges of practicing innovation managers. Expanded Innovation Portal for students and instructors containing searchable innovation tools, cases, and exercises.
