depend on the exact modeling of the technological change but our main results remain valid and can provide more accurate welfare rankings

*Reclaiming the Stolen* Catherine Chandler, 2025-03-31 Did you know that God is actively reclaiming all of creation In the beginning creation was perfect reflecting God's glory but rebellion occurred to kill steal and destroy His creation and glory Wickedness disease and death were the outcomes of the revolt concealing the true nature of God But God designed a plan predestined to restore creation and the glory His method includes healing you physically mentally and spiritually God made the process simple and can be easily applied Scripture given by God for our edification is used throughout this book to reveal His plan and explain how the reader can participate in reclaiming the stolen As part of God's restoration process you will also learn what you believe influences emotions and behaviors discover how you can become master of your thoughts and fears develop an understanding of the person and purpose of Jesus Christ and be able to implement reconciliation with God

*Growth* Daniel Susskind, 2024-04-16 Daniel Susskind traces the rich surprisingly brief history of economic growth and responds to its ills We cannot focus only on growth's upsides but nor is degrowth a viable policy the benefits of prosperity are too great to discard Instead we must face tradeoffs demoting growth from our top priority and reckoning with its moral challenges
