escape route Lux locked eyes with Hudson Falk at the back of the chapel her best friend In that instant he extended his hand to her Without a second thought Lux turned and ran to him amidst shocked gasps and her father s angry voice Little did she know taking Hudson s hand would lead to more than she could have ever anticipated making for a Christmas people could only dream of Hudson Falk had fallen for Lux Cooper from the moment they met Playing the role of her best friend had been a challenge especially when her father announced her engagement He didn t fit into their refined wealthy social circles they would be in awe of his secret he was the son of a Norse winter god in a human world Those secrets were never meant to be revealed until now and only to Lux Taking her hand and fleeing from the chapel with her presented him with a once in a lifetime opportunity Their impromptu escape led to unexpected turns Let s run away to Norway Yes Let s get drunk and get married Okay neither of them had anticipated that I m actually a Norse god and I do mystical things Lux looked skeptical until he showed her his true life Now that Hudson had Lux he had no intention of letting her go After all he was a Viking and love was their expertise Beneath the enchanting Northern Lights for Christmas in a glass igloo nestled in the snow Hudson would show Lux how his kisses could warm her and how his love held no expectations except enduring beyond a lifetime just for her

Close Liaisons Anna Zaires,2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person s mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer s impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method

You use a book that is gimmicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimmicked version I usually give away a copy of an un gimmicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real un gimmicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding
