The Soul in Stretch Arnika Sahu, 2025-08-05 Yoga isn't just about touching your toes it's about touching your truth In The Soul in Stretch modern life meets ancient wisdom and mental health finds its mat We live in a world of constant scrolling comparison and emotional overload where anxiety burnout and overthinking have become the new normal But what if every emotion from fear to lust ambition to grief was actually a doorway into spiritual awareness This book redefines yoga beyond poses and postures It's yoga for your emotions your mental health your modern mess Through witty insights relatable stories and soulful reflections it shows how ancient yogic philosophy can help you Calm your anxious mind when your brain won't stop scrolling Channel ambition without burning out Transform heartbreak and grief into spiritual growth Understand love and lust as energies that awaken consciousness Find mindfulness in your inbox coffee cup and morning scroll Each chapter turns everyday struggles into a living breathing yoga practice blending ancient sutras with real life science psychology and humor Because yoga doesn't care about your thigh gap it cares about your soul gap For readers who want A modern relatable take on spirituality Practical yoga tools for emotions mental health Wisdom that feels ancient yet fits the Instagram age A guide to finding peace not by escaping the world but by flowing through it The Soul in Stretch is not a book about how to do yoga it's about how to live it Every feeling is a posture Every day is a practice Every breath is a chance to come home to yourself
