Artificial Intelligence in Accounting Cory Ng, John Alarcon, 2020-12-08 Artificial Intelligence in

Accounting Practical Applications was written with a simple goal to provide accountants with a foundational understanding of AI and its many business and accounting applications. It is meant to serve as a guide for identifying opportunities to implement AI initiatives to increase productivity and profitability. This book will help you answer questions about what AI is and how it is used in the accounting profession today. Offering practical guidance that you can leverage for your organization, this book provides an overview of essential AI concepts and technologies that accountants should know, such as machine learning, deep learning, and natural language processing. It also describes accounting-specific applications of robotic process automation and text mining. Illustrated with case studies and interviews with representatives from global professional services firms, this concise volume makes a significant contribution to examining the intersection of AI and the accounting profession. This innovative book also explores the challenges and ethical considerations of AI. It will be of great interest to accounting practitioners, researchers, educators, and students. Independent and Weekly Review, 1884 Managing and Leading Today's Police Kenneth J. Peak, Larry K. Gaines, Ronald W. Glensor, 2025-07-02. For those aspiring to leadership roles in law enforcement, Managing and Leading Today's Police: Challenges, Best Practices, Case Studies provides practical insights and addresses real-world challenges shaping today's policing landscape. Drawing on their extensive experience, authors Kenneth John Peak, Larry Gaines, and Ronald W. Glensor guide future leaders in critically analyzing current issues and developing essential career skills. The Fifth Edition introduces a case study at the end of each chapter, complemented by new Focus On and You Decide exercises, as well as sections on the use of artificial intelligence (AI) allowing students to engage with contemporary issues and technologies in the evolving culture of policing today. *The Weekly Review*, 1922
