Business Case Studies with Management lessons -Volume

1 Dr. Sanjeevni Gangwani, 2025-05-12 This book is very useful for teaching any management course through case studies. Cases are written in a very simple language so that all students at the graduate level post graduate level can understand its application. Case studies are very important to be taken for teaching management in any type of course as it immerses students in real world scenarios fostering critical thinking problem solving and decision making skills while also bridging the gap between theory and practice. Case studies present complex real life situations or problems that managers have faced allowing students to analyze discuss and propose solutions. They encourage active participation and engagement moving beyond passive learning by placing students in the role of decision makers. The emphasis is on the analytical process and the reasoning behind decisions rather than solely on finding a correct answer. Case studies can encompass various management disciplines allowing for a holistic understanding of organizational challenges. They are a form of problem based learning where students learn by grappling with real world problems. There are various benefits of using case studies in teaching management courses. Case studies enhance critical thinking analytical abilities communication skills and interpersonal skills. Students practice making decisions under pressure weighing different options and understanding the consequences of their choices. They bridge the gap between theory and practice allowing students to apply their knowledge to real world scenarios. The real world nature of case studies makes learning more engaging and relevant for students. Case studies encourage open discussion and debate fostering a collaborative learning environment. Successfully navigating complex case studies can build students confidence in their abilities as future managers. This book consists of diverse case studies related to various sectors. It also includes the case objective overview of company summary and conclusion and questions for discussion. I hope management faculty in all types of business school worldwide will find this comprehensive book on business case studies very helpful for class room teaching group discussions and even for giving assignment to students for internal assessment. I wish you all a happy learning process and I hope all my efforts in compiling varied cases will contribute for better management learning and student engagement.
