

Emotional Intelligence Questionnaire – Self Assessment

Gerald Miller

Introduction

The Leader EQ-s Self provides the opportunity for you to construct a summary of your own perceptions of your EQ-s by indicating the extent to which you agree that each statement accurately describes the way you think, feel, or act in the capacity of a leader, most of the time and in most situations.

There are no "right" or "wrong" answers and no "good" or "bad" choices; the rating that best describes you is the correct answer! Answer openly and honestly by indicating how you actually are, not how you would like to be or how you would like others to think of you.

Instructions

Read each other the forty – eight statements below and decided to what extent it applies to you. For each statement, tick on the response that best applies, using the following scale.

		Strongly Agree = 3	Inclined to Agree = 2	Inclined to Disagree = 1	Strongly Disagree = 0
1.	I understand myself and hold insights into the reasons for my own behaviour				
2.	I am aware of, understand, and appreciate the feelings of others.				
3.	When I am faced with a dilemma, I stop and reflect before acting.				
4.	I have the ability to set high but attainable goals.				
5.	I am able to self – observe, that is, I can internally observe my own behaviours, motives and patterns				
6.	I am sensitive to the feelings, needs and sufferings of others.				
7.	In general, I handle stressful situations without becoming anxious.				
8.	I would describe myself as a "can do" person.				
9.	I accept my strengths and weaknesses as part of who I am.				
10.	I really care what happens to others and am able to feel empathy for them				
11.	I view problem situations as "challenges," not as obstacles				
12.	I am a highly motivated individual
