determining each family's best strategy to pay for college Troy views college as a tollbooth on the road to retirement and by having a strategy families choose the right exits pay the toll as wisely as possible and stay up to speed for retirement Troy is CEO of Stratagee.com the firm he co-founded to create innovative college planning software to help families identify where their children may be able to get in to college and get aid and determine the family's best strategy to pay for the colleges that are the best fit for their children EXCERPT FROM THE BOOK Why College Co Op Programs Totally Rock I made 46 000 working as a Co Op student for a great company while I was getting my college degree from a well known university and now the company that I did my Co Op with wants to hire me This isn't too good to be true The truth is that College Co Op programs totally rock and I could have gotten that quote from thousands of Co Op students nationwide There are several reasons why college Co Op programs rock Added Work Experience and Job Offers Think about this One student goes to college tries to find a job in the summer just to help with expenses and then graduates on time with good grades but no work experience and a boat load of student loans Another student goes to college for the first half of the year then goes to work at a company that is part of her university's Co Op program gains six months of work experience for which she is paid 11 000 18 000 then goes back to campus to learn in the classroom repeating this cycle until she graduates with both a degree and meaningful work experience Buy the book to read more *Sterling's College Admission Survival Guide Senior Year* Stephen Charles Sterling, Dorothy Roman Sterling, 2006-05 Sterling's College Admission Survival Guide is the college and university guide for understanding the entire college admission process [The Best 376 Colleges](#) Robert Franek, Laura Braswell, Princeton Review (Firm), Seamus Mullarkey, 2011-08-02 Featuring candid feedback from more than 122 000 students from across the country this guide to the best 376 colleges includes bonus financial aid ratings **The Best 361 Colleges** Robert Franek, Tom Meltzer, Christopher Maier, Erik Olson, 2006 115 000 current college students speak out about their colleges classes professors dorms social scenes sports and more **The Discounts and Deals at the Nation's 360 Best Colleges** Bruce G. Hammond, 1999-08-20 From Parent Soup the leading Internet parenting site comes the only book that reveals how the financial aid process really works today and how savvy families can pay less at the nation's best colleges Bruce Hammond shows how discounts and deals can reduce the sticker price at top colleges nationwide even for families who would not have qualified for need based aid in the past Since the Justice Department broke up financial aid collaboration among the elite colleges in 1991 and because of escalating competitive pressures colleges now use financial aid to compete for students rather than merely to cover need The relatively uniform system of aid that existed years ago is gone replaced by one in which aid varies depending on the school's resources and its place in the market Combining financial aid information with a detailed guide to the nation's 360 best college the book reveals which colleges offer the best need based aid which colleges give the biggest merit scholarships how to qualify for scholarships and discounts when and how to negotiate for a better aid package Discounts and Deals at the Nation's 360 Best Colleges cuts through the confusing world of financial aid
