ARE CUT TOO DEEP TO HEAL.

Jessica Harper is the epitome of perfection. She's a good daughter, makes excellent grades, and always strays on the safe side of life. The last thing she thought would ever happen was falling in love with her best friend's brother. But sometimes fate just has a way of bringing two people together.

Wide receiver for the University of Arizona, Gabe Garcia, seems to have it all. When his feelings for Jessica come to surface, Gabe will give up everything to be with her.

But what happens when a tragedy abruptly changes the course of your life? For Jessica and Gabe, everything they thought they knew about each other will be questioned. Sometimes, there are scars in life that are cut too deep to completely heal.

Will their love prove to be unbreakable, or will it shatter and prove fate is just another lie?

Few realized in 1938 that a revolution was about to take place. A little book appeared in drugstores and on newsstands that would fit into the typical pocket. There was no real binding, no dust jacket, just a colorful laminated cover. By summer of 1939, everybody was buying and reading them. Regarded by many as disposable distractions, a few people put them aside and started collections that we realize are a valuable and collectible archive of American culture. From the glittering images of square-jawed cowboys to the gritty slum dwellers of social realism, *The Great American Paperback* is a bountiful museum of over 600 brilliant covers, each of them a miniature gem evocative of the fashions and attitudes of its era. **Unbreakable** Kami Garcia, 2013-10-01
