Faeheart Blake R Wolfe,2025-10-02 A sheltered witch A reckless Fae A bond they never wanted and a passion they can t escape Wild Rules I don t follow them Hearts I don t keep them I live for the chase for the thrill of taking what I want and leaving before anyone gets too close As a Fae passion is my power and at Widdershins Academy where magic pulses in every shadowed corridor I have my pick of lovers Then there s Elias Thorne Sweet quiet untouchable Elias the witch with too much

potential and too little confidence He s the only one who has ever dared to look at me like I m dangerous instead of desirable The only one who doesn t melt under my charm And for some reason that makes me want him even more But Elias isn t interested in my games He sees through the mask past the wicked smirk to the part of me I don t want to acknowledge And that terrifies me I don t do commitment I don t do love But Elias is different and I can t tell if he s my greatest weakness or my only salvation When a magical accident binds us together things get dangerous Because at Widdershins Academy witches and Fae aren t compatible but now that we re bound together neither of us has a choice Elias I ve spent my life hidden behind spellbooks and expectations The son of a prestigious coven I was raised to be polite reserved and obedient everything Wild is not He s reckless untamed a storm wrapped in silk and sin And he infuriates me He pushes I retreat He flirts I ignore But somehow Wild always finds a way under my skin testing my patience and my control The worst part I think he enjoys watching me unravel Then on our first day back a wild magic accident binds us together in ways neither of us understands Now his magic calls to mine a pull that s impossible to resist Every touch is a spark every glance a challenge and the more I fight him the more I realize I don t want to Loving him means risking everything my magic my future my heart But as whispers of war spread through the academy I begin to wonder what if Wild is the only one who can teach me how to fight back Faeheart is an electrifying enemies to lovers paranormal romance filled with sizzling tension dark magic and a love that defies all the rules Perfect for readers who crave sharp banter slow burn desire and the undeniable pull of fated souls [A Pack for Summer](#) Eliana Lee,2026-06-16 The four of us Under one roof It s going to be one hot summer Summer Pham has never been shy about going for what she wants She s just moved into a cute apartment and fulfilled her dream of opening her very own Vietnamese bakery Everything is perfect as long as you ignore the fancy new patisserie next door and the water pipe that s just burst and flooded her building Faced with the prospect of no home and no bakery a town meeting offers a lifeline an offer to work and live alongside the Beaufort pack brothers who are only in town for the summer Lucien a high powered executive and eldest alpha brother Mercer the grumpy beta pastry chef she now has to share a kitchen with And Jae her tattooed alpha childhood crush all grown up It s the first time the brothers have been together since the breakdown of their childhood pack With temperatures soaring and chemistry sizzling with the omega in their home it doesn t take much for the temporary living situation to turn into a friends with benefits arrangement But hazy summer days are fleeting and when tragedy strikes Summer may need what they cannot give her a pack A Pack for Summer is a standalone MFMM why choose small town romance It is part of the Cozyverse shared universe bringing you cozy omegaverse full of heart heat and humor

Hexmate Blake R Wolfe,2025-10-02 A witch without power A werewolf with everything to lose A forbidden love that will change it all Atlas Being a werewolf and the star of the wrestling team means my life is all about control control on the mat control under the full moon and control over my emotions I ve spent years perfecting it But then I met Caden and all that control started to slip He s a witch without magic or so everyone says but there s something about him that draws me in He s

got this quiet intensity a spark that feels more powerful than any spell I've ever seen But in a place like Widdershins Academy where bloodlines and magical purism rule witches and werewolves are not supposed to mix The rules are clear and breaking them could cost me everything my pack my title and even my future Yet every time Caden looks at me every time he brushes against me it feels like the world shifts and suddenly those rules don't seem so unbreakable I can feel his soul calling to mine and when I finally get up the nerve to kiss him I know I won't be able to stop Caden I've spent my whole life feeling like a failure Born into a legacy of pureblood witches I should have been powerful but my magic never came In a world where worth is measured by power I've always been on the outside trying to blend in and failing miserably And then there's Atlas He's everything I'm not strong confident and untouchable But somehow he sees me really sees me in a way no one else ever has When he's near it's like I'm more than just a powerless witch But I know better than to hope He's a werewolf an alpha and everything about our world is designed to keep us apart When a cruel prank leaves me stranded in the woods during a deadly snowstorm it's Atlas who finds me He saves my life his wolf instincts guiding him through the snow but the storm traps us together in an abandoned cabin There's no escaping the truths we've been avoiding and as the fire crackles we give into the instincts we've been denying for too long In those intimate moments I see the vulnerability he tries to hide and for the first time I believe I might be someone he truly needs But the storm is only the beginning When a magical attack threatens Widdershins Academy we're thrust into a battle bigger than either of us As purists tighten their grip on our world we're faced with an impossible choice defy the rules that divide us and risk everything for the love we've found or let the system win and tear us apart before we've even had a chance Hexmate is a heart pounding magical sweet and spicy romance filled with forbidden love sizzling chemistry and the courage to challenge a world built on division Set against the enchanting backdrop of Widdershins Academy Caden and Atlas's story is a spellbinding tale of resilience redemption and the power of love to rewrite destiny
