Watching TV Harry Castleman,Walter J. Podrazik,2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline *Watching TV* provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to

the earliest days Watching TV is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format

Field and Stream ,1926 [Library Programs Online](#) Thomas A. Peters,2009-10-27 Meet your library patrons where they increasingly live and work online This guide introduces you to the exciting possibilities online programs offer and shows you how to set up online programs in your library whether one time stand alone or half day full day or multi day workshops and conferences Public programs from lectures demonstrations and interviews to book discussions and story hours can be delivered in real time live primarily over the web utilizing a variety of interactive communication tools including voice over IP text chatting and co browsing Furthermore online programming can be used for district wide staff training The author explains how to integrate pre recorded components of a program into a live online public program shows how to extend the reach and appeal of online public programs with podcasting and audiorecordings and explains how to use voice over IP and video over IP to enhance online programs In addition to outlining the costs of starting and operating a public online program Peters also provides cost recovery methods and scenarios Online public programs can extend your library s reach into the service population grab the attention of some early adopters and opinion leaders in the community you serve and convey to patrons and other libraries that your library is moving boldly into the digital future Plus many people are more likely to attend an online library program than an in library public program And because online programs are easily recorded and redistributed on demand your library gets more bang for each buck it invests in its public programming outreach Distance education programs in higher education corporate and governmental training efforts and other sectors of society have become commonplace but this is the first guide to focus on how libraries public academic school and special and library related organizations associations consortia etc can and are developing exciting online programs for library users and librarians
