This issue also highlights the labor and economics issues facing the medium the past and future of organizing a comics union work for hire contracts and how comic conventions can better serve creators with the Journal's hallmark candor Other features include an exclusive look at the unfinished graphic novel that Eisner and Geisel Award winner Geoffrey Hayes was working on before his untimely death in 2017 a peak inside the lush sketchbook of Sophie Franz a timely work by Brazilian cartoonist Laura Lannes a reconsideration of the comics canon by Skin Horse cartoonist Shaenon K Garrity and more
