2017 Annual Report Procter Gamble:

Retail Therapy Mark Pilkington,2019-01-10 Almost weekly the news is full of stories about disappearing retail chains From House of Fraser and BHS to Toys R Us and Sears recognised names are vanishing overnight as such large organizations disappear so the malls shopping centres high streets and main streets become emptier and less appealing to visit The retail sector is hugely important in terms of job numbers in the US it employs around 30 million people directly and indirectly in the UK around 10 million As such anything that jeopardises the retail sector will have a deep and lasting impact on millions of lives as well as on public policy While many blame the Amazon effect this is an oversimplification Deeper forces are at work that are changing people s relationships with brands the balance of power between producers and consumers and the whole nature of the supply chain that has existed since the industrial revolution Retail Therapy offers a comprehensive analysis of these forces and their impact on the world of retailing More importantly it presents a cogent analysis of the longer term trends that are shaping retailing and outlines a clear road map for sustainable success in the future

Roadmapping Future Tuğrul U. Daim,2021-03-16 This volume presents a portfolio of cases and applications on technology roadmapping TRM for products and services It provides a brief overview on criteria or metrics used for evaluating the success level of TRM and then offers six case examples from sectors such as transportation smart technologies and household electronics A new innovation in this book is a section of detailed technology roadmap samples that technology managers can apply to emerging technologies

Marketing and Globalization Aurélia Durand,2018-07-17 This concise text focuses squarely on the issues facing marketers in an increasingly global world It identifies several trends linking them together and positioning them as marketing practices that companies implement as a way of responding to the major consequences of globalization The book also includes case studies to illustrate new practices and allow students to discuss issues of market selection entry modes segmentation targeting and positioning as well as product price distribution promotion and corporate communication policies in a globalized world Durand s unique approach moves beyond marketing management and strategy issues and provides students with the broader context to understand the marketing practices they ll use in the real world This book will prove to be an essential resource for any student of marketing and international business working to stay ahead in an increasingly competitive and global industry
