Beyond Ugly:

Beyond Ugly Constance Briscoe, 2008-09-04 From the Number One Bestselling author of *Ugly* Despite her mother's constant physical and psychological abuse Constance Briscoe has gained a place at Newcastle University to study law a long held ambition She finances her studies by several jobs at weekends and during the holidays including working with the terminally ill in a hospice She also finds the money to pay for several cosmetic surgery treatments in an attempt to transform the face that her mother has convinced her is ugly ugly ugly With the degree achieved Constance takes up Michael Mansfield's invitation to become a pupil in his prestigious chambers But she didn't find the support and encouragement she expected

Ugliness Gretchen E. Henderson, 2015-11-15 Ugly as sin the ugly duckling or maybe you fell out of the ugly tree Let's face it we've all used the word ugly to describe someone we've seen hopefully just in our private thoughts but have we ever considered how slippery the term can be indicating anything from the slightly unsightly to the downright revolting What really lurks behind this most favored insult In this actually beautiful book Gretchen E Henderson casts an unfazed gaze at ugliness tracing its long standing grasp on our cultural imagination and highlighting all the peculiar ways it has attracted us to its repulsion Henderson explores the ways we have perceived ugliness throughout history from ancient Roman feasts to medieval grotesque gargoyles from Mary Shelley's *Frankenstein* to the Nazi Exhibition of Degenerate Art Covering literature art music and even the cutest possible incarnation of the term Uglydolls she reveals how ugliness has long posed a challenge to aesthetics and taste She moves beyond the traditional philosophic argument that simply places ugliness in opposition to beauty in order to dismantle just what we mean when we say ugly Following ugly things wherever they have trod she traverses continents and centuries to delineate the changing map of ugliness and the profound effects it has had on the public imagination littering her path with one fascinating tidbit after another Lovingly illustrated with the foulest images from art history and culture Ugliness offers an oddly refreshing perspective going past the surface to ask what ugly truly is even as its meaning continues to shift
