Knowles, 2021-06-22 Political correctness has taken politeness and turned it into a weapon of censorship and intimidation In the workplace on social media and even at the dinner table Americans are confronted daily with a laundry list of words they re not allowed to say and that list is updated constantly and without warning How did so absurd a concept become so dangerous and come to dominate our public discourse over the last quarter century This book traces the history and effects of political correctness from the early twentieth century to the present revealing its insidious roots exposing the power hungry language architects behind its ever growing control and examining what this concerted manipulation of speech means for the future of American culture politics and minds Publisher
