Disney Plus Usa:

The Disney+ Kingdom David Whitt, John Perlich, 2024-05-08 Debuting in 2019 Disney quickly became one of the most popular streaming services worldwide With hubs for Disney Pixar Marvel Star Wars and National Geographic Disney not only provides vault content from these brands but also original films and television programming such as High School Musical The Musical The Series The Mandalorian The Mighty Ducks Game Changers Andor and The Imagineering Story This collection of essays examines a variety of Disney exclusive content exploring themes such as nostalgia identity representation and lived experience Designed to appeal to both academics and the average Disney fan it attempts to answer the question of whether its original streaming content is a plus or minus for the Mouse House Now Media Norman J. Medoff, Barbara K. Kaye, 2021-04-07 Now in its fourth edition this book is one of the leading texts on the evolution of electronic mass communication in the last century giving students a clear understanding of how the media of yesterday shaped the media world of today Now Media Fourth Edition formerly Electronic Media Then Now Later provides a comprehensive view of the beginnings of electronic media in broadcasting and the subsequent advancements into now digital media Each chapter is organized chronologically starting with the electronic media of the past then moving to the media of today and finally exploring the possibilities for the media of the future Topics include the rise of social media uses of personal communication devices the film industry and digital advertising focusing along the way on innovations that laid the groundwork for now television and radio and the Internet and social media New to the fourth edition is a chapter on the amazing world of virtual reality technology which has spawned a now way of communicating with the world and becoming a part of video content as well as a discussion of the impacts of the COVID 19 pandemic on media consumption habits This book remains a key text and trusted resource for students and scholars of digital mass communication and communication history alike The new now edition also features updated online instructor materials including PowerPoint slides and test banks Please visit www.routledge.com/cw/medoff to access these support materials **A Hero in All of Us?** Stephen Clouse, Aaron Kushner, 2024-08-26 Is heroism possible for everyone Should it be What kinds of stories do we tell when we talk about heroes and what do these stories reveal about how we view ourselves This book takes up these questions and more by reflecting on twenty first century American television shows Among the shows examined are Only Murders in the Building Game of Thrones The Good Lord Bird The Boys and Severance What we find is an entertainment landscape unsure about what a hero is or even what qualifies as heroic In a nation uncertain about heroism we see a dramatic rise in the popularity of the anti hero and even in worlds without heroes This fragmented variety highlights how the American political mind is similarly fragmented in what it believes are its highest aspirations and its deepest anxieties It is this fragmentation that may help us understand why twenty first century entertainment has elevated the heroic to the supernatural while simultaneously democratizing heroism to the point where anyone may become one A Hero in All of Us Heroism and American Political

Thought as Seen on TV explores this multifaceted landscape to better understand how Americans view their heroes and themselves

Reasserting the Disney Brand in the Streaming Era Robert Alan Brookey, Jason Phillips, Timothy Pollard, 2023-04-07 Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how Disney's acquisition of Pixar Marvel Lucasfilm and Fox positioned the company to launch the Disney streaming service the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney's catalog This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies political economy Disney studies media industries and new technology
