Managing In Turbulent Times 1st Edition

Baker Library

Managing In Turbulent Times 1st Edition:

Managing in Turbulent Times Peter Drucker, 2012-08-21 *Managing in Turbulent Times* tackles the key issues facing managers in the 1990s how to manage in rapidly changing environments This seminal and prophetic book laid the foundation for a generation of writers on change management This book concerns the immediate future of business society and the economy The one certainty about the times ahead says Drucker is that they will be turbulent times In turbulent times the first task of management is to make sure of the organizations capacity for survival to make sure of its structural strength and soundness its capacity to survive a blow to adapt to sudden change and to avail itself of new opportunities The author is concerned with action rather than understanding with decisions rather than analysis It aims at being a practical book for the decision maker whether in the private or the public sector
