**The Family in English Children's Literature** Ann Alston,2008-06-03 From the trials of families experiencing divorce as in Anne Fine's *Madame Doubtfire* to the childcare problems highlighted in Jacqueline Wilson's *Tracy Beaker* it might seem that the traditional family and the ideals that accompany it have long vanished However in *The Family in English Children's Literature* Ann Alston argues that this is far from the case She suggests that despite the tales of family woe portrayed in children's literature the desire for the happy contented nuclear family remains inherent within the ideological subtexts of children's literature Using 1818 as a starting point Alston investigates families in children's literature at their most intimate focusing on how they share their spaces their ideals of home and even on what they eat for dinner What emerges from Alston's study are not so much the contrasts that exist between periods but rather the startling similarities of the ideology of family intrinsic to children's literature *The Family in English Children's Literature* sheds light on who maintains control who behaves and how significant children's literature is in shaping our ideas about what makes a family good Bad Dreams Anne Fine,2001-09 Melanie knows right away that there's something different about Imogen the new girl in her class Imogen seems to have read every book in their classroom and Imogen doesn't just read a story she seems to feel it as if the story is actually happening to her Unlike Imogen and her family Mel can see that this power is really more of a curse But how far is Mel willing to go to destroy the magic and free her friend *Empower* Steve Eddy,2003-03 This *Empower* full colour textbook allows lower attaining students who are working at a level below National Curriculum expectations full access to the English curriculum Key elements of the English Framework are addressed and material with a strong emphasis on

writing and the modelling of key text types is provided The textbook contains five sections covering Literary and Non literary Writing Media ICT Poetry and Scripts and Screenplays The Framework objectives are covered in each unit with links to Progress Units Starter activities reading source texts and modelling writing are included plus a summary of key points and a profile of achievement

**Into the Closet** Victoria Flanagan,2013-08-21 *Into the Closet* examines the representation of cross dressing in a wide variety of children s fiction ranging from picture books and junior fiction to teen films and novels for young adults It provides a comprehensive analysis of the different types of cross dressing found in children s narratives raising a number of significant issues relating to the ideological construction of masculinity and femininity in books for younger readers Many literary and cultural critics have studied the cultural significance of adult cross dressing yet although cross dressing representations are plentiful in children s literature and film very little critical attention has been paid to this subject to date *Into the Closet* fills this critical gap Cross dressing demonstrates how gender is symbolically constructed through various items of clothing and apparel It also has the ability to deconstruct notions of problematizing the relationship between sex and gender *Into the Closet* is an important book for academics teachers and parents because it demonstrates how cross dressing rather than being taboo is frequently used in children s literature and film as a strategy to educate or enculturate children about gender
