"Powerful alternatives to help children become their most caring, responsible selves."

—Adele Faber, coauthor of *How to Talk So Kids Will Listen* . . .

Unconditional Parenting

Dan A. Myers, Dan A. Myers M D

Unconditional Parenting:

Unconditional Parenting Alfie Kohn, 2006-03-28 The author of *Punished by Rewards* and *The Schools Our Children Deserve* returns with a provocative challenge to the conventional ways of raising children Kohn argues that all children have the need to be loved unconditionally yet conventional approaches to parenting such as punishment and reward teach children that they are loved only when they please and impress parents Kohn cites powerful research detailing the damage this can cause Unconditional Parenting pushes parents to question their ideas of parenting and offers practical solutions to problems

Unconditional Parenting James Stark, 2018-03-25 One basic need all children have Kohn argues is to be loved unconditionally to know that they will be accepted even if they screw up or fall short Yet conventional approaches to parenting such as punishments including time outs rewards including positive reinforcement and other forms of control teach children that they are loved only when they please us or impress us Kohn cites a body of powerful and largely unknown research detailing the damage caused by leading children to believe they must earn our approval That s precisely the message children derive from common discipline techniques even though it s not the message most parents intend to send

A Queer History of Adolescence Gabrielle Owen,2020-12-15 *A Queer History of Adolescence* reveals categories of age and adolescence specifically as an undeniable and essential mechanism in the production of difference itself Drawing from a dynamic and varied archive including British and American newspapers medical papers and pamphlets and adolescent and children s literature circulating on both sides of the Atlantic Gabrielle Owen argues that adolescence has a logic a way of thinking that emerges over the course of the nineteenth century and that survives in various forms to this day This logic makes the idea of adolescence possible and naturalizes our historically specific ways of conceptualizing time development social hierarchy and the self Rich in intersectional analysis this book

offers a multifaceted and historicized theory for categories of age that challenges existing methodologies for studying the people called children and adolescents Rather than offering critique as an end in and of itself *A Queer History of Adolescence* imagines the world making possibilities that critique enables and in so doing shines a necessary light on the question of relationality in the lived world Owen exposes the profound presence of history in our current moment in order to transform the habits of mind shaping age relations social hierarchy and the politics of identity today **The Power of Loving**

Discipline Karen Miles, 2006 The sixth book in the series sponsored by Psychology Today magazine this authoritative and well written book follows in the series tradition of giving the reader a full overview of the hottest trend in parenting today positive discipline Beginning with the full discussion of the entire subject of discipline Miles leads the reader through the various styles of discipline from authoritarian to permissive and then on to the core subject positive discipline In an objective well researched manner *The Power of Loving Discipline* explains the nature of positive discipline its pros and cons how it can apply to actual parenting situations and why it is as important a parenting strategy as it has become today Much more than a simple how to parenting guide *The Power of Loving Discipline* gives the reader a fuller understanding of the nature of this parenting strategy why it is important how it compares with other strategies and what it can mean to the reader herself
